HEALTHY SMILES, HAPPY PATIENTS

New, Innovative, State-of-the-art Orthodontic Practice Celebrates Grand Opening

By ANNA CHARLES

There's a new orthodontic practice in town that's destined to quickly become the go-to place for braces in Fort Bend County, Scott and Jane Orthodontics. Raising the bar high, Drs. Scott and Jane will wow and impress you with exceptional credentials, a passion for excellence, and their gentle, caring natures. And of course, you'll be captivated by the beautiful, straight smiles created through absolute state-of-the-art orthodontics.

"After practicing in Corpus Christi for seven years, we have realized our dream of opening our own private practice. We chose Fort Bend County because we love the warm hospitality of South Texas and enjoy the diversity and culture the communities offer," said Dr. Scott Huang (Dr. Scott), who is married to Dr. Jane.

Dr. Jane Lu (Dr. Jane) added, "It's a wonderful, family-oriented place where we want to raise our kids when it's time to start a family of our own."

UNIQUE ORTHODONTIC PRACTICE

Scott and Jane Orthodontics offers convenient office hours including evenings and Saturdays, but that's just the beginning! The level of skill and education the practice brings to the area is second-to-none. Drs. Scott and Jane, both board-certified orthodontists, met while completing post-graduate studies at the University of Michigan, where each earned a Master of Science in Orthodontics.

Drs. Scott and Jane are value-conscious and offer reasonable prices. Most dental insurance plans are accepted, a variety of payment op-

tions are available, and you will love their innovative lifetime guarantee. (For details visit ScottAndJane.com)

"We are confident in the smiles we create and understand that they are our calling card that is a reflection of our work. For whatever reason additional orthodontics are needed, you'll be protected," said Dr. Jane.

FUN, FAMILY-FRIENDLY

Children and adults feel comfortable, safe, and welcome at Scott and Jane Orthodontics. The appealing, contemporary office includes free Wi-Fi, an iPad bar, a refreshment counter with complimentary beverages, wall-mounted flat screens where patients can watch DVDs, and more.

“We’re kid-friendly,” said Dr. Jane. “Everyone’s on a first-name basis here and, as opposed to scrubs, our office polos and T-shirts help patients feel comfortable with us and relate to us. Plus, our patients, especially the children, really enjoy all the cool and awesome prizes that they can win from our many contests!”

STATE-OF-THE-ART EVERYTHING

Drs. Scott and Jane offer the latest advances in orthodontic treatments for children and adults. The all-digital office utilizes leading-edge technology, from the waiting area to the consultation room, which includes a large smart board—an interactive digital white board—where the doctors explain dental conditions, recommend treatments, and can review your treatment progress.

“Even our sign-in process makes use of today’s technology,” Dr. Scott said. “Instead of an old-school sheet of paper and clipboard, you sign in on a touchscreen.” ///

MEET DR. SCOTT HUANG AND DR. JANE LU

Dr. Scott Huang and Dr. Jane Lu are each board-certified by the American Board of Orthodontics, an accomplishment only 25 percent of American orthodontists achieve, and committed to continuing education. For two consecutive years, Drs. Scott and Jane were honored to be voted in the elite club of “America’s Top Dentists.” They are members of numerous professional organizations, including the American Association of Orthodontists.

When not working, Dr. Scott enjoys fishing, traveling and sports, with a strong love for the Michigan Wolverines. Dr. Jane, who started playing the piano and violin at an early age, enjoys music, traveling and good food.

Dr. Scott Huang, D.D.S., M.S.

Dr. Scott earned his D.D.S. from Kaohsiung Medical University School of Dentistry, graduating in the top of his class. He received a scholarship and became a post-doctoral fellow at the University of Michigan before enrolling in the orthodontic residency program and graduating with a Master of Science in Orthodontics. He is an Invisalign Premier Preferred Provider.

Dr. Jane Lu, D.M.D., M.S.

Dr. Jane earned her D.M.D. from the University of Pennsylvania (an Ivy League school), where she received numerous scientific awards and was elected into the prestigious Omicron Kappa Upsilon National Dental Honor society. She then completed a three-year residency in orthodontics at the University of Michigan’s Department of Orthodontics, earning a Master of Science in Orthodontics.
